Comment Reasons:
Comment:As a resident of Chorlton, I feel very unhappy with the plans to build 6 high buildings on what was Chorlton precinct (which we miss a lot). The flat will be too high for Chorlton and there are too many buildings. Chorlton is already very congested and it will make life very unpleasant. Chorlton does not need more blocks of flat, so many are already being built, it needs shops, a square with benches to make the community life stronger. It is sad that everything is run by profit and money. It is time to think of the people who live in Chorlton. I do hope my view will be taken into account.
