

1.	 A wide-angle photograph of a grand, classical-style building facade on a city street. The building features a prominent portico with four large columns and a pediment. A red car is parked on the street in front of the building. A modern glass-fronted building is visible in the background.
2.	 A photograph showing a close-up of the building's entrance and corner. The entrance has a large arched doorway. A yellow spherical street lamp is visible. A person is walking on the sidewalk. A modern glass building is visible in the background.
3.	 A photograph showing the corner of the building and the adjacent street. The building has a classical facade with columns. A modern glass building is visible in the background. A red brick building is visible on the right side of the street.
