Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Completely different to consultation drawings. Way too high for Chorlton. Eclipse light in surrounding areas (similar to what the swimming baths new building is doing to my street). We need a community hub with shops. A safe place for people to walk, congregate and shop locally. Already tight for parking in chorlton, this will make it far worse. We don't want to loose any trees. The building design is very imposing and off putting.
