Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I object strongly to this plan. This will not fit in with the look of Chorlton we are a small town, this will lead to lack of light, over population, too many cars, pollution, burden on an already over subscribed health centre and school and a massive disruption during building. We've only just got rid of current road builds. Please, this has to be stopped, you're cramming massive eyesores that belong in larger areas or town. This does not belong in Chorlton. It will change forever.
