Delegated officer report for planning application

Application no. 143068/AO/2025

Date registered valid: 29 May 2025

Proposal: Installation of an internally illuminated projecting sign and 2no. face-illuminated aluminium built-up individual letter signs.

Address: Plot 10B First Street, Manchester, M15 4RF,

Ward(s): Deansgate Ward

Applicant: House of Social 1 Ltd

Agent (if any): Mr Tom Farrington, Deloitte LLP

Case officer: Jack Naven
Tel: 0161 219 2095
Email: jack.naven@manchester.gov.uk

Recommendation: Approve

Date of recommendation: 26 June 2025

Application Details

Type of application: Advertisement Consent

Development type: Advertisements

Date of site visit: 17 June 2025

Standard consultations:

Printed: 5 June 2025 Expired: 26 June 2025

Neighbour notifications

Printed: 5 June 2025 Expired: 26 June 2025

Site notice

No site notice has been produced

Press advert

No press advert had been published

Departure from Development Plan: No

Environmental Statement: Not required

Description of Site/Area

Listed building: Not applicable

Conservation area: Not applicable

Tree Preservation Order: Not applicable

The Site is located in the First Street Strategic Regeneration Framework (SRF) area and is bounded by River Street to the north and east, Hulme Street to the south, and Plot 10a to the west.

The Site is surrounded by a mix of developments. To the north and north-west are completed office buildings (No.1 and No.8 First Street). North-west of the Site lies James Grigor Square, offering outdoor space. First Street North, a cultural hub with HOME, student accommodation, and food and drink outlets, is located further north.

East of the Site are former mills now used for residential and office purposes. Modern mixed-use developments, including student accommodation and retail, are also present. Immediately south, Plot 11 is under construction, featuring four co-living towers. The Mancunian Way, a major arterial route, lies south of the Site. West of the Site is Plot 10a, proposed as a sustainable office development. Further west,

Plot 9a is a completed nine-storey "net-zero" office building for the Government Property Agency.

This site in question, at Plot 10b, will be a development known as 'House of Social'. The development is a primarily brick slip clad 14-storey purpose built, student accommodation (PBSA) comprising of 100 apartment clusters and 5 and 6 bed apartments with 576 bedspaces

(Use Class Sui Generis), with a 1304 sqm food hall/ground floor retail space at ground level (Use Class E + Sui Generis).

Description of Development

The proposal seeks advertisement consent for the installation of an internally illuminated projecting sign and 2no. face-illuminated aluminium built-up individual letter signs.

Related Applications

136170/FO/2023 - erection of 14-storey building comprising purpose-built student accommodation (PBSA) (Sui Generis) and ground floor Food Hall (Sui Generis Use), and other associated works including external amenity spaces, public realm, secure cycle parking, access and servicing arrangements (Plot 10B).

Approved June 2023.

137946/NMC/2023 - Non-Material amendment to alter the wording of Conditions 3a (Materials and Samples), 3b (Circular Economy Statement), 6 (Landscape Programme) and 14a (Acoustic Insulation Scheme: Residential) attached to Planning Permission 136170/FO/2023.

Approved November 2023.

141139/NMC/2024 - Variation of Condition 2 attached to Planning Permission 136170/FO/2023 (as amended by 137946/NMC/2023) to enable non-material amendments to internal layouts, and external facade changes.

Approved October 2024.

CDN/25/0387 - Discharge of condition 38 (Signage Strategy) attached to planning permission 136170/FO/2023 as amended by 137946/NMC/2023 and 141139/NMC/2024.

Approved in tandem with this application.

Consultations & Notification Responses

Publicity - Neighbour notification letters were sent to surrounding properties. At the time of writing this report, no representations have been received because of this publicity.

Highway Services - Confirmed that the proposed signs comply with headroom and carriageway clearance requirements, that projection over licenses will not be required for any signs and that all illuminated signs are within acceptable luminance levels.

Environmental Health - Requested that a condition be attached to control the luminance levels at 300cd/m².

Policy

Town and Country Planning (Control of Advertisements) Regulations 2007

(1) A Local planning authority shall exercise its powers under these Regulations in the interests of amenity and public safety, taking into account—

- (a) the provisions of the development plan, so far as they are material; and
- (b) any other relevant factors.

(2) Without prejudice to the generality of paragraph (1) (b)—

- (a) factors relevant to amenity include the general characteristics of the locality, including the presence of any feature of historic, architectural, cultural or similar interest;

(b) factors relevant to public safety include—

- (i) the safety of persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
- (ii) whether the display of the advertisement in question is likely to obscure, or hinder the ready interpretation of, any traffic sign, railway signal or aid to navigation by water or air;
- (iii) whether the display of the advertisement in question is likely to hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle.

(3) In taking account of factors relevant to amenity, the local planning authority may, if it thinks fit, disregard any advertisement that is being displayed.

(4) Unless it appears to the local planning authority to be required in the interests of amenity or public safety, an express consent for the display of advertisements shall not contain any limitation or restriction relating to the subject matter, content, or design of what is to be displayed.

The Adopted Core Strategy for the City of Manchester (2012)

Adopted on 11th July 2012 and the Key Development Plan Document in the Local Development Framework. It states that all new developments should follow the 'Development Principles' and accord with the design guidance set out in the Supplementary Planning Documents.

DM1 (Development Management) states that new development should have regard to more specific issues for which more detailed guidance may be given within supplementary planning documents. Issues include: the appropriate siting and appearance of development, the impact upon the surrounding area, the effects on amenity, accessibility, community safety and crime prevention, health, the adequacy of internal accommodation and amenity space and refuse storage/collection.

SP1 (Spatial Principle) states the key spatial principles which will guide the strategic development of Manchester together with core development principles. It is stated that developments in all parts of the city should create well designed places which enhance or create character, make a positive contribution to the health, safety, and well-being of residents, consider the needs of all members of the community, and protect and enhance the built environment. Further, development should seek to improve access to jobs, services and open space and provide good access to sustainable transport provision.

CC9 (Design and Heritage) states that design of new buildings will need to be of the highest standard in terms of appearance and function. The standards and guidance explained in other LDF policies should be the basis for the approach to design, with particular attention to be given to the City Centre context and character.

Development in Manchester City Centre should preserve or enhance the heritage assets that have been identified, including listed buildings, conservation areas and scheduled ancient monuments.

The Council will support high density and mixed-use development in the City Centre, but developers must recognise the specific design challenges that must be overcome to ensure complementarity of function and form. New development must support the range of uses the Council expects in the City Centre and contribute to a coherent and integrated physical environment.

EN1 (Design Principles and Strategic Character Areas) states that developers will be expected to consider the City's heritage, including its listed buildings, conservation areas, archaeological remains and historic street pattern.

The Unitary Development Plan (UDP) for the City of Manchester (1995)

DC14.1 (Shops and Related Signs) states that in determining applications relating to these premises for shop fronts, security grilles, advertisement signs, canopies and awnings, the Council will seek to ensure that proposals are in keeping with the character of the building and adjoining buildings, of adjoining shopfronts, where appropriate, and of the area within which the premises are located.

DC14.5 (Shops and Related Signs) states that the Advertisement Regulations require that applications for shop signs be considered only in the interests of amenity and public safety. In determining such applications, the Council will adopt the following policies. The policies relevant to this application are:

- a) signs should not normally be positioned other than at fascia level.
- b) signs should respect the architectural form of buildings and shop frontages.
- c) where no obvious fascia level exists, signs above shopfronts should be in keeping with the scale of the frontage of the building and in particular should not fill the gap between ground floor shop windows and first floor windows.
- d) projecting signs, or any other type of sign which projects significantly beyond the shopfront, should line up with the associated fascia board. Where this is not the case, such proposals will not be permitted.
- e) The Council will normally permit only one projecting box sign for each shop unit. On listed buildings and on buildings within Conservation Areas, signs consisting of individually mounted letters will be preferred to box fascia signs.
- f) fixed canopies mounted above fascia level or which obscure the fascia or shopfront will not normally be permitted, unless within a structural opening;
- g) long canopies which ignore the architectural form of frontages will not normally be permitted.

Places for Everyone (2024)

The Places for Everyone Plan is a Joint Development Plan Document, providing a strategic plan and policies, for nine of the 10 boroughs which make up Greater Manchester.

The following policies are considered relevant to this application:

JP-Strat2 (City Centre) states that the role of the City Centre as the most significant economic location in the country outside London will be strengthened considerably. The City Centre will continue to provide the primary focus for business, retail, leisure, culture and tourism activity in Greater Manchester, but the increasingly important residential role of the City Centre will be expanded. It will be a priority for investment in development and infrastructure. This will include addressing current network capacity issues in the City Centre which will enable the future expansion of the rapid transit public transport network across Greater Manchester. Improvements in the public realm, walking and cycling facilities, and green infrastructure will help to enhance the local character and environmental quality of the City Centre so that it can rival city centres across the globe, enabling it to compete effectively at the international level for investment, businesses, skilled workers, residents and tourists. A broad range of commercial accommodation will be delivered, helping the City Centre to capture growth across key economic sectors. The new functions within the City Centre will be delivered in a way that

complement, rather than displace the area's non-residential functions and will seek to protect and enhance the city centre's historic environment and assets.

Shopfront and Signage Design Guide (2024)

The shopfronts and signage SPD sets out the detailed guidance for shopfront alterations and the display of signage in Manchester.

The SPD states that new signage should:

- be limited to one fascia signage or internal hanging signage per elevation;
- be located below the first-floor eaves, unless there is historic evidence of signage above;
- have a maximum depth of 30mm;
- not be in the form of internally illuminated lightbox signage;
- not conceal, obscure or damage any elements or detailing of a shopfront that positively contribute to its appearance, historic interest and appreciation.

National Planning Policy Framework (NPPF) (2024)

It is a fundamental requirement of the NPPF that planning proposals contribute to the achievement of "sustainable development".

Section 12 (Achieving Well Designed Places) advises that the government attaches great importance to the design of the built environment. Good design is a key aspect of sustainable development, is indivisible from good planning, and should contribute positively to making places better for people.

Paragraph 141 states:

"The quality and character of places can suffer when advertisements are poorly sited and designed. A separate consent process within the planning system controls the display of advertisements, which should be operated in a way which is simple, efficient, and effective. Advertisements should be subject to control only in the interests of amenity and public safety, taking account of cumulative impacts."

Issues

The main issues for consideration relate to the principle of the proposal, as well as, in accordance with the advertisement regulations, the acceptability of the proposal in terms of its impact upon visual amenity and upon public safety. In judging this, the provisions of the development plan and any other relevant factors, so far as they are material, must be taken into account.

Principle of the Proposal

The principle of the proposal is considered to be acceptable in this case. Ground level signage is considered to be appropriate to provide wayfinding to residential buildings as well as to the commercial ground floor premises.

Amenity

Sign type 1.01, the single projecting sign, is considered to be of a slender, sleek, modern design that is in keeping with the surrounding street scene and area, as well as the House of Social building. At 30mm depth, it is in line with the depth stipulated in the adopted Shopfront and

Signage Design Guide. It is sited at fascia level, which is in line with part d) of UDP policy DC14.5.

Proposed projecting sign

Sign type 2A, the face illuminated entrance sign on metal raceways fixed to curtain walling, is correctly sited at fascia level, above a corresponding entrance. The use of individual letters results in a less cluttered appearance to the elevation, as opposed to a fascia sign. The use of rails instead of a solid backplate also helps to reduce this clutter.

Proposed Sign type 2A CGI

Sign type 2B, also a face illuminated entrance sign on metal raceways, will be sited slightly higher than the fascia level, above a corresponding entrance. The elevation of the building that this sign sits upon has much taller arched glazing and so the siting of the sign at a slightly higher than fascia level is considered to be acceptable, as it most neatly fits into the architecture and the design of this arched glazed frontage.

Proposed Sign type 2B CGI

The use of individual letters results in a less cluttered appearance to the elevation, as opposed to a fascia sign. The use of rails instead of a solid backplate also helps to reduce this clutter. The views into this glazed frontage will remain mostly interrupted by this proposed sign.

Overall, it is considered that the proposed signage will sit comfortably within this modern and contemporary setting with full consideration to its surroundings regarding scale, materials, and siting.

Taking all these aspect into consideration, the proposal can therefore be supported on visual amenity grounds.

Public Safety

The luminance levels of the signage are 300cd/m², which is within an acceptable range to not cause any distraction to passing pedestrians or road users, or to cause a disturbance to any nearby residents or commercial occupiers.

A condition has been added to ensure that the proposed luminance levels are controlled and complied with.

All signage complies with headroom and carriageway clearance requirements.

A projection over licence is not required for any signs as they do not project over the adopted highway.

Overall, there are no public safety concerns with the proposed signage.

Conclusion

Given the above, the proposal is considered to be consistent with the Core Strategy for the City of Manchester, in particular DM1 (Development Management) and SP1 (Spatial Principles), the saved policies contained within the Unitary Development Plan for Manchester, in particular DC14.1 and DC14.5 (Shop fronts and Related Signs), and the National Planning Policy Framework, in particular Section 12 (Achieving Well Designed Places) and Section 16 (Conserving and Enhancing the Historic Environment).

Other Legislative Requirements

Equality Act 2010

Section 149 (Public Sector Equality Duty) of the Equality Act 2010 requires due regard to the need to: Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act and; Advance equality of opportunity between persons who share a protected characteristic and persons who do not share it. The Equality Duty does not impose a legal requirement to conduct an Equality Impact Assessment. Compliance with the Equality Duty involves consciously thinking about the aims of the Equality Duty as part of the process of decision-making.

Human Rights Act 1998 considerations

This application needs to be considered against the provisions of the Human Rights Act 1998. Under Article 6, the applicants (and those third parties, including local residents, who have made representations) have a right to a fair hearing and to this end the local planning authority must give full consideration to their comments.

Protocol 1 Article 1, and Article 8 where appropriate, confer(s) a right of respect for a person's home, other land and business assets. In taking account of all material considerations, including Council policy as set out in the Core Strategy and saved policies of the Unitary Development Plan, the Director of Planning, Building Control & Licensing has concluded that some rights conferred by these articles on the applicant(s)/objector(s)/resident(s) and other occupiers and owners of nearby land that might be affected may be interfered with but that that interference is in accordance with the law and justified by being in the public interest and on the basis of the planning merits of the development proposal. She believes that any restriction on these rights posed by the recommendation given is proportionate to the wider benefits of and that such a decision falls within the margin of discretion afforded to the Council under the Town and Country Planning Acts.

Recommendation: Approve

Condition(s) to be attached to decision for approval

1) No advertisement is to be displayed without the permission of the owner of the site or any other person with an interest in the site entitled to grant permission.

No advertisement shall be sited or displayed so as to:

- (a) endanger persons using any highway, railway, waterway, dock, harbour or aerodrome (civil or military);
- (b) obscure, or hinder the ready interpretation of, any traffic sign, railway signal or aid to navigation by water or air; or
- (c) hinder the operation of any device used for the purpose of security or surveillance or for measuring the speed of any vehicle.

Any advertisement displayed, and any site used for the display of advertisements, shall be maintained in a condition that does not impair the visual amenity of the site.

Any structure or hoarding erected or used principally for the purpose of displaying advertisements shall be maintained in a condition that does not endanger the public.

Where an advertisement is required under these Regulations to be removed, the site shall be left in a condition that does not endanger the public or impair visual amenity.

2) The development hereby approved shall be carried out in accordance with the following drawings and documents received by the City Council as Local Planning Authority on 29 May 2025:

- Location Plan

And received by the City Council as Local Planning Authority on 16 June 2025:

- Proposed House of Social Sign Family Version 21.1, dated 14.06.2025

Reason - To ensure that the development is carried out in accordance with the approved plans. Pursuant to policies SP1 and DM1 of the Core Strategy.

3) The maximum luminance of the signage shall not exceed 300 cd/m² in brightness at any time.

Reason - In the interests of visual and residential amenity pursuant to policies SP1, EN3 and DM1 of the Manchester Core Strategy and saved policies DC14.1, DC18.1, and DC19.1 of the Unitary Development Plan for the City of Manchester.
