Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I strongly object to the ten storey building that is not in keeping with Chorlton and would destroy the community village feeling .

I strongly object to the amount of high rise buildings which will destroy Chorlton as a village and is not viable for a none city centre area .

I strongly object to the lack of parking factored in - this will cause parking overspill onto the roads surrounding . I strongly object to the lack of retail space .
