Comment Reasons:

Comment: This is a gross mismanagement of resources. Prioritizing product over people. We live in Chorlton and this is going to further exacerbate the lack of facilities we already face. Parking, schools, GPs are already fit to bursting. Not to mention, this is a residential area, anything over 5 floors is going to impede sunlight views and life. I urge this to be blocked and scaled down. Stop trying to turn Chorlton into a metropolis. This is going to destroy Chorlton if permitted to go ahead.
