Commenter Type: Member of the Public
Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:I wholly object to the proposed scale of the development. Specifically, I object to the height of West Block D, East Block C, North Block E, East Block
A and East Block B, I.e. each block that is over four storeys. I object to the number of proposed flats in 6 different blocks. I object to the lack of green space. As currently proposed, this would be an over development of a limited site in a suburb where infrastructure is already under pressure.
