Commenter Type: Business

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: There will be lots of traffic in the area. Loss of natural light with so many tall buildings. The car park which always has more than 30 cars in daily will be lost and all the people visiting the health centre, dentist and all shops that can not walk from the homes. Or are travelling to and from work to visit doctors, dentist and shops will have no where to park.
