Dear Holly,

Thank you for your letter informing us of the request to use the football pitches at weekends.

I would like to object on the grounds that weekend sport will take away our ability to rest and recover from work at the weekend. The start time of 08:30 on both Saturday and Sunday is horribly early and going on until 16:00 means that the entire day will be filled with school noise, just like Monday to Friday already are. This would be every day for the rest of our lives, which is quite a punishing sentence for us.

I would also like to point out that the original planning permission for the school came with the promise that they would never bother us with noise outside of school hours Monday to Friday. I hope this is not a standard trick that schools routinely employ, to get built first under one premise and then increase the noise levels when they hope people have forgotten the original promises?

Thank you for listening and I hope you can stop their request or mitigate it to the maximum of your ability!

Yours sincerely,
