Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: [REDACTED] who owns my own property and the last thing I want is the value to decrease and deal with nuisance during my retirement. I think it's a ridiculous location as nearly 18 properties back gardens are joint into the land. I could only imagine the noise pollution and trouble that will follow. I also believe being open till 9pm is ridiculous. I go to sleep early and having to indure 2 hours of noise seems unbearable
