Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: My husband and I shall be quite devastated if this planning permission goes ahead. We have both been using the gym for many years now and have found it to be a really important local community resource providing much needed niche friendly caring facilities for a wide range of people locally. My husband badly needs access to the kind of gym this business provides as being reasonably elderly and not in the best of health he would really struggle in a more impersonal environment. The Little Box Gym is a unique business (together with its satellite businesses) in a unique building and the area would be far poorer without it. It attracts a fantastically varied clientele who all really appreciate its qualities and would struggle to find this sort of service elsewhere. Please don't close it down in its present location by passing this application.
