Comment Details

Commenter Type: Member of the Public
Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:This development is far too obtrusive and large for the plot of land.
Where are the community spaces, park areas, houses with gardens and retail/leisure spaces from the original plans that we all liked.
We want a better quality of life accessible to more people so disabled access, nice environment etc not skyscrapers that block the light and stack em high sell them to investors mentality.
