Stance: Customer made comments in support of the Planning Application
Comment Reasons:
Comment:Hi There!

I saw a lot of negativity around this development on Facebook, so I just wanted to reach out to say that I thoroughly support it, as does everyone that I have spoken to locally.

We'd love for Graham house to be removed and a much nicer development to be put in its place. I don't object to the height at all and it seems very well considered.

Kind regards,
