Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The flats will be too big for the site. What about the social housing which was proposed. As Chorlton is already congested traffic and parking will become far worse. There doesn't appear to be many shops included in the project. The new build on the baths old site seems to be blending in well but this new proposal.....just the opposite. Aesthetically it will change the face of Chorlton and not for the better.
