Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: My only real objection is around parking provision. It's not clear from the plans that there will be sufficient parking for residents and visitors. There is already a significant issue with parking on our road which is very close to the development. Any spillover of needs from this development would mean it would be almost impossible to park near my home. If more parking is included then I do not have any further objections.
