Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: After the whole campaign marketing "supporting local business" and the graphics all over the boarding promoting small shops, it's outrageous that this is no longer the intention and the space will actually become mostly residential accommodation, with a small amount of shops. Not only will the multistorey buildings look intrusive but it will cause Chorlton to be overly crowded and parking to be even more difficult than it currently is.
