Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: 1. I find the thought of losing the local shops especially for older, those with young family, disabled. Imagine the effort for this group to go further away.

2. The design and size of buildings for flats etc. in that small area stamps all over of some private company making a fortune,,, I might be wrong!!

3 The buildings should be no more than 3 floors high. so there remains plenty of light for ground floor.

4. And there are many more objections
