Comment Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: Massively over sized for Chorlton doesn't fit with the rest of the buildings in the vicinity more akin to city centre

At least 100 cars will be added to the houses and flats planned with little or no parking, retail units reduced considerably . Parking reduced for those wishing to use the centre and shops not everyone rides a bicycle

This proposal will over populated an already densely populated Chorlton.
