Commenter Type: Member of the Public

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment: There still isn't enough retail provision & the Square currently serves as the car park for all visitors to Chorlton - needs to be many more underground spaces in the plans.

Overall the massing is too great for the location and will create a very imposing environment in the centre of Chorlton. A single larger tower in the middle of the plot would be much better.
