Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The buildings proposed are completely different and more obstructive and overbearing for the space than originally consulted. Shops and social housing have been diminished - The buildings adjacent to the pavement do not reflect a suburban neighbourhood- and do not similarly exist anywhere in Manchester. It is ugly and will destroy the feeling of a well established shopping hub and will do nothing to regenerate the area into a social and accessible area.
