## Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: I am very much against this proposal. You have not considered the community. There is no infrastructure to support the project. We would need more school place, doctors, shops, dentists etc. Because of the large number of buildings in the area it will no longer feel like a suburb it will now be like living in the City Centre. It is disgusting.
