Commenter Type: Member of the Public
Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:6 10storey tower blocks is over development of this small site. The infrastructure around is not adequate to support so many flats.
I am also disappointed that there is no larger shop space for an outlet such as quality save that was there before and served Chorlton well.
I am concerned there is no where to park for the doctors surgery on Nicholas road with this new development taking the whole of the current car park.
