Landscape Concept Plan

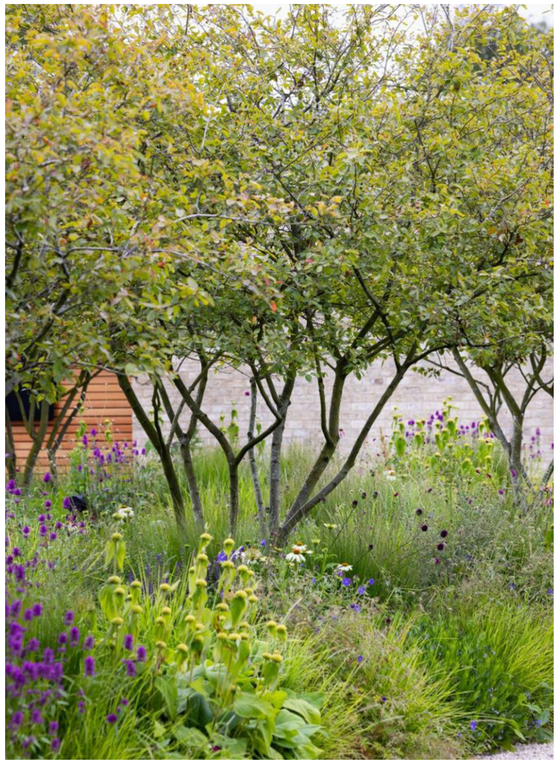

Hard and softscape responds to the buildings architectural form

Grass lawns

Interesting and colourful furniture

Ornamental trees within planting

A mix of shrub planting that is diverse in colour, form and size

Shrub Mix

Denser, thicker, and more shade-tolerant shrubs for building edges and perimeter planting.

Hackonechloa macra

Viburnum davidii

Dryopteris filix-mas

Specimen Shrubs

Large shrubs planted in groups at key locations for visual interest and experience.

Salvia x sylvestris ‘Mainacht’

Rudbeckia ‘Goldstrum’

Phormium ‘Apricot Queen’

Courtyard Planting

A range of shrubs that provide interest through their varying form and colour.

Anemanthele lessoniana

Bergenia cordifolia

Ajuga reptans

Trees

A mix of small shrubs that add vibrant colour and visual interest.

Prunus avium ‘Plena’

Amelanchier lamarckii

Sorbus aucuparia

Native Hedge Mix

Native hedge mix planted behind the perimeter fence.
