Comment Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The height of the blocks is not commensurate with Chorlton skyline. The existing office block is set well back from the road so doesn't close the space in the way this development would. There are no other residential blocks of this height in Chorlton, the proposed height of the development is not in keeping with the neighbouring conservation area or the skyline of the suburb.
