Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:A 8 & 10 story buildings in the centre is ridiculous, with the size and volume of properties, our house & garden will be completely overlooked.
We'll lose a good amount of light compared to the existing structure & it being further set back, our garden & house will then be entirely overlooked.
It feels like a huge invasion of privacy & drastically negatively impacts the quality of living for a lot of residents on Keppel Rd
