Details of the pre-application advice received

Good afternoon,

Thank you for your email.

The type of planning application you need to submit is a Housholder Planning Application (Lesser works). This can be done on the Governments planning portal website (<https://www.planningportal.co.uk>).

The plans/drawings you will need to submit are the following:
Location Plan with a red line around entire plot, including the front and rear gardens (Can be done on the planning portal).
Clear photograph of property with the proposed charger location indicated on the photo.
Details of the charger used (the specs and measurements of charger you are installing) - Companies will have PDF's on their website you can download.
To get the correct fee amount, on the 'calculate fee' section ensure you are checking the second tick box ('For an existing flat or single dwellinghouse')

Recently a similar application was approved - If you search for the application ref: 142554/FH/2025 here: <https://pa.manchester.gov.uk/online-applications> you can see the photos attached with the plans to give you an idea of what is required.

Kind regards,

Jake Walther

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff**
- (b) an elected member**
- (c) related to a member of staff**
- (d) related to an elected member**

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
