Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:It was a specific promise made at the pre planning meeting for the school that the outside pitches and MUGA would not be used in the evenings or at weekends. During term time days the noise level from the school is often excessive, mainly from students shouting and from teachers shouting instructions at "sergeant major " volumes. My property has its main lounge at 2nd floor level and balconies at first and second floor levels, as do most properties along Clearwater Drive, and the fence behind the school does not intercept sound from the pitches. I therefore STRONGLY OBJECT to this application, as I would also to any use of the MUGA for car parking (as occasionally happens now).
