Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:This is simply too much, and too many residents. It looks overdeveloped and too big. It will impact the area. There are not enough shops to serve the community. It will deter us from going to Cholrlton. [redacted], we need accessible parking. There will be too much strain on infrastructure. Insufficient parking for shops, restaurants, coffee shops and bars, medical centre, library. It will no longer be a place the people of chorlton go to and enjoy. It will completely lose its identity and become just more characterless blocks of flats. Awful.
