John,

4 Copperbeech Close Manchester M22 4WP - 142980/TPO/2025

The applicant has submitted the following information:

T7 - works to tree Laburnum - Fell to close to ground level. A replacement tree of similar ultimate size will be replanted on the property.

I have visited the site and I can confirm that the tree is in decline and we would have no objection to the proposed removal and replacement.

There was no replacement specification, but there are several trees that would be suitable for this situation.

Kind regards
