Project Name: Manchester Communication Academy - Year 7 & Science																				Date:		March 2024											
																				Project No:		11258											
																				Page No:		1											
																				Sht. No:		1											
	Date of Issue:																																
	Day		22	06	13	01	11	16																									
	Month		03	02	02	04	04	04																									
	Year		24	25	25	25	25	25																									
Document Title:		DRG No/Ref.																															
CIVILS/DRAINAGE																																	
SCIENCE BLOCK																																	
PROPOSED DRAINAGE GA - SCIENCE		11258-WML-SC-XX-DR-C-1001	P01	T01	T02	T03																											
PROPOSED SITE LEVELS GA - SCIENCE		11258-WML-SC-XX-DR-C-1010	P01	T01																													
Drainage Details - Sheet 1		11258-WML-SC-XX-DR-C-1002		T01																													
Drainage Details - Sheet 2		11258-WML-SC-XX-DR-C-1003		T01																													
Drainage Details - Sheet 3		11258-WML-SC-XX-DR-C-1004		T01																													
Proposed External Works GA		11258-WML-SC-XX-DR-C-1015		T01																													
SC Surface Water Calculations		11258-WML-SC-XX-CA-C-0001			P01	P02																											
YEAR 7 BLOCK																																	
PROPOSED DRAINAGE GA - YEAR 7		11258-WML-Y7-XX-DR-C-2001	P01	T01		T02																											
PROPOSED SITE LEVELS GA - YEAR 7		11258-WML-Y7-XX-DR-C-2010	P01	T01																													
Drainage Details - Sheet 1		11258-WML-Y7-XX-DR-C-2002																															
Drainage Details - Sheet 2		11258-WML-Y7-XX-DR-C-2003																															
Drainage Details - Sheet 3		11258-WML-Y7-XX-DR-C-2004																															
Proposed External Works GA		11258-WML-Y7-XX-DR-C-2015																															
Y7 Surface Water Calculations		11258-WML-Y7-XX-CA-C-0001		P01		P02																											
MUGA Pitch - With Attenuation tank																																	
PROPOSED DRAINAGE GA - MUGA		11258-WML-MU-XX-00-DR-C-1001					P01																										
PROPOSED SITE LEVELS GA - MUGA		11258-WML-MU-XX-00-DR-C-1002					P01																										
Drainage Details - MUGA		11258-WML-MU-XX-00-DR-C-1003					P01																										
PHASE 1: TEMPORARY CAR PARK PROPOSED EXTERNAL WORKS		11258-WML-MU-XX-00-DR-C-1004					P01																										
PHASE 2: MUGA PITCH PROPOSED EXTERNAL WORKS		11258-WML-MU-XX-00-DR-C-1005					P01																										
MUGA Surface Water Calculations		11258-WML-MU-XX-CA-C-0001					P01																										
MUGA Pitch - With storage in stone and filter drains																																	
PROPOSED DRAINAGE GA - MUGA		11258-WML-MU-XX-00-DR-C-2001					P01
