A series of existing photographs are included below to demonstrate the status of the existing building..

These are a selection of photographs and many others are also available. These can be made available in electronic format to GMEU or English Heritage.

Photographs have been taken between September 2023 and May 2025

The photographs are divided between external and internal views

Measured three dimensional surveys of the existing building were also undertaken in 2023 in order to generate the existing elevations

Extensive photos and videos will be taken during any construction work and can also be made available.
