Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment:I object to a youth centre being built practically in my back garden, it will make my property vulnerable. I have had bikes stolen from my garden and other antisocial behaviour towards my property while the area has been abandoned simply by people jumping over the gate and over my back wall which isn't very high. I can only imagine the noise and trouble that would follow with a youth centre being there that's open late into the evening. I also work very early mornings where I need to be asleep around 7/8pm with my bedroom windows facing the area. I would not like to have my windows shut in summer due to large groups of youths making noise pollution. Old moat park is adjacent to this area which already attracts crime and nuisance. I can only imagine the trouble it would bring placing a youth centre in this area.
