John,

79 Clyde Road Manchester M20 2WW - 142741/TCA/2025

The applicant has proposed to carry out the following pruning works:

T1 - Silver Birch. We intend to sympathetically reduce the crown of the tree at the rear of 79 Clyde Rd. Height reduction of approx 30% (3m) and prune sides in to match shape.

The tree has minimal visual amenity value due to its position and therefore we would have no objection to the proposed works.

The works will ensure that the tree is maintained at a more manageable size and therefore hopefully enable the tree to occupy this position for the foreseeable future.

Kind regards

Rudi Farghaly
