The proposal was assessed against the policies within the Manchester Core Strategy Development Plan Document and the guidance contained within the National Planning Policy Framework. The applicant was advised that the proposal would have a detrimental impact upon the existing levels of residential amenity enjoyed within the vicinity of the site. As the nature of the proposal is considered to be unacceptable and the applicant has requested that the proposal be determined in its current format, a solution that was acceptable to both the Local Planning Authority and the applicant could not be reached.

Reason(s) for decision

1) The proposal would have a detrimental impact on the residential amenity and living conditions of the nearest residential occupiers on Whitechapel Street, as a result of the unacceptable levels of noise, disturbance and activity associated with the comings and goings of customers to the premises and general activity associated the operation of a

food and drink establishment late into the evening. The proposed development is therefore contrary to saved policy DC26 of the Unitary Development Plan for the City of Manchester, policies DM1 and SP1 of the Manchester Core Strategy and the National Planning Policy Framework.
