Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment:I object to this for one there is no infrastructure to support these houses, schools drs etc. if anything there should be less houses put on there with more green space rather than shoe horning people into their. It's a dangerous corner already and to add this amount of houses where each is likely to have 2 cars added to the roads and the lack of roads drivable in the area between the a34 and the a6 it will bring the area to a total grid lock.
