Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: This development is too aggressive, building 10 stories high !! Manchester City council are obsessed, horrible, this is a suburb. totally out of place, and please don't compare it to a hideous crap office block as a precedent. CRAP CRAP AND CRAP. again. It will overpower, I think that the new structures should be built in context, it should NOT be overpowering but sympathetic. Please don't give me the crap that they need all of these volumes to make money, what they are greedy, and you Manchester City council are complicit, and YOU Manchester City council should be on our side, looking after us, but I think you are just on a power trip, I suggest you read JG Ballard, HighRise, And think on ;)
