

Re: supply of aluminium louvre panels

To whom it may concern,

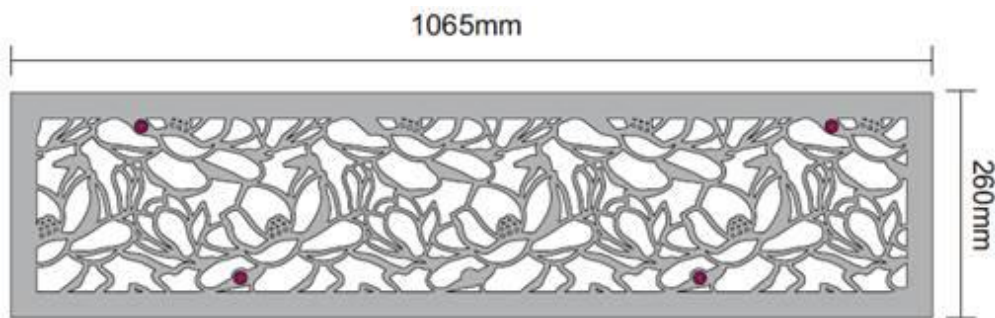

Please see below specifications for decorative aluminium louvre panels offered on a supply only basis to CTS Shopfitting re: Sainsbury's, 340 Deansgate:

- 6mm aluminium sheet, laser cut
- Powder coated in RAL 7046 Satin
- Design as shown with 80% free area
- Overall size: 1385mm x 2045mm
- Qty: 2

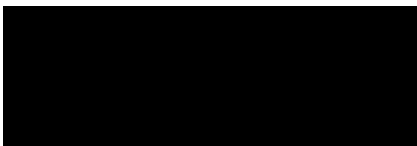

For comparison, these are the specifications of the panels previously supplied to AXD Environmental re: 340 Deansgate (also on a supply only basis):

- 4mm aluminium sheet, laser cut
- Powder coated in RAL 7046 Satin
- Design as shown with 52% free area
