Comment Details

Commenter Type: Member of the Public
Stance: Customer objects to the Planning Application
Comment Reasons:
Comment:How has the consultation provided any actual benefits. 10 Storeys, even 8 is too high, the streets will be in the shadows with ugly buildings imposing. Less retail space, more traffic in an already gridlocked community which is already overloaded for doctors to manage patients etc
The only levelling up here is for the profiteers, this is not about enhancing communities and the spaces where we live.
