Comment Reasons:

Comment: Please allow Something More Productive to operate their extended licensing hours as requested. This beautiful cafe/bar has done so much for the local community. It has created a sanctuary in Withington and a hive for community. Please consider the urgency of independent, locally-run businesses, especially at the same time as regeneration efforts are being made to Copson Street and the surrounding area. Withington is a beautiful place to live because of the opportunities we have to congregate with friends and strangers in safe and secure 'third' spaces like cafés, libraries and leisure centres. Please support small businesses to make this neighbourhood the vibrant and original hearth to so many of us that it is.
