Comment Reasons:

Comment: To Whom it may concern

As a graduate of UMIST, I was sad to see it merge with Manchester Uni - however - I understand the importance of protecting and moving forward these institutions.

Now seeing the removal of the history of UMIST is the end of part of Manchester history and sending this brutalist architectural example to text books, postcards and Wiki.

Finally - if you are fans of music the Chemical Brothers (or Dust Brothers as they were then) met at UMIST.
