Afternoon Jon,
Thank you for your email and the opportunity to meet the other week.

Yesterday I received confirmation to proceed with the Crime Impact Statement
The crime stats will be carried out in the next week or so by our analyst.
I don't expect anything out of the ordinary, but will review them in due course.

I've had a conversation with my colleagues in CT who are comfortable with the proposals, with the main recommendations centering around the following subjects:

- Bag searches
- Access policy & ticket check location(s)
- Visitor numbers during events
- Glazing specs

I've been issued with a collection of CGI visuals, which look great and give me a flavour of what Oakview are aiming to achieve.
However, for me to undertake a full review I really need the final layouts. Once you have these can you issue a set and I will review accordingly.

Our estimation for completing the reports is 4 weeks, however if you are desperate then I can review my workload to try and accommodate a looming deadline.
Also It is our policy not to issue a CIS report without having cleared payments. Therefore please can you ensure the invoice is settled ahead of your submission date. A payment link should have or will be issued shortly by our admin coordinator.

If, during my review of the frozen scheme I think something needs attention I will contact you or Bridget to discuss further.

Should you require further information please do not hesitate to contact me.

Kind regards
