John,

55 Whitelaw Road Manchester M21 9HG - 142519/TCA/2025

The applicant has submitted the following information:

*T1) Holly - no work required
T2) Conifer - the tree is far too big for such a small back garden standing at around 12m and blocks out a lot of available light to surrounding gardens. We would like to remove it to a 5 foot stump that can then be fashioned into a bird feeding table.*

The tree has limited visual amenity value and would not meet the necessary criteria for TPO status.

I can confirm that we would have no objections to the proposed removal of this tree.

Kind regards
