Revision 01: Drawing updated to construction status. No change to content

Scale Bars to be used as guidance only - refer to sheet size below

1:100 mm	1000	3000	5000
1:200 mm	5000	8000	
1:500 M	5	15	25
1:1250 M	10	30	50 70

Drawings are based on survey data and may not accurately represent what is physically present. Do not scale from this drawing. All dimensions are to be verified on site before proceeding with the work. All dimensions are in millimeters unless noted otherwise. Purcell shall be notified in writing of any discrepancies.

- NOTES
- See Purcell key drawins OTH-PUR-EX-ZZ-DWG-A-4295 - OTH-PUR-EX-ZZ-DWG-A-4298 for block quantities and locations
 - Block dimensions for tender only. All dimensions are to be checked on site before production of manufacturers component drawings. Component drawings to be submitted for approval before manufacture.
 - Block height and width does not take into account joint thickness it is currently assumed that the nominal joint width will be 6mm.
 - String course scribing details indicative only, p profiles of string courses and other projecting features are to be checked on site to ensure accurate cut outs in terracotta components.
