Comment Details

Commenter Type: Member of the Public

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: The proposed buildings are much too high for a small suburban area like Chorlton. They would dominate the whole skyline, block light to the centre of the area. It will be completely out of keeping with the look, feel and environment of what is a village. It would change the landscape at a negative cost to the community that has been in Chorlton for decades. Communities and individual lives shouldn't be at stake because people want to capitalise
