Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: This land is and was only ever supposed to have sports related buildings and functions on it.

This was always the case as said by The Lord/the owner.

It would be such a shame to have this happen and also the Illegal Mosque is causing so many problems with parking ,accidents waiting to happen and arguments

Please leave this ground and get it back to sports facilities for the children something for our youngsters to do.
