Commenter Type: Group

Stance: Customer made comments in support of the Planning Application

Comment Reasons:

Comment:Lancashire GAA & St Mary's have been involved with the consultation process for the redevelopment of Cringle Fields including the relocation of Burnage CC. Provided the agreed option is adhered to, whereby the St Mary's GAA pitch is widened and the goal posts (one set missing) are relocated to provide a full size (145m long x 90m wide) GAA pitch, and that St Mary's have free access to the redeveloped pavilion building along with the agreed DDA upgrades, then Lancashire GAA and St Mary's GAA support this proposal. The upgrade of the St Mary's pitch and the pavilion building is urgently needed to support the increased participation in our games for boys & girls, and it will support increased participation and games in the area. Provided the cricket pitch does not encroach on the revised width of the St Mary's pitch then we are confident the facility can accommodate all sports.
