Hi Lucy

Thanks for sending this over to Work & Skills, Could you please ensure there is a local labour condition for construction and end use attached to this project as they have stated there will be office space included in the project that will provide employment. Happy to discharge against the local labour with the letter of intent re local labour, could we ask that prior to start we receive information in a KPI format relating what they are planning to achieve re local labour.

I have included our usual guidance document along with a suggested KPI reporting sheet for the contractor once they have been appointed.

Kind Regards
