Good morning John, hope you are well.

Had this one saved as a draft to run by Noel – but with all the absence in the last month – didn't get resolved.

We have no objections with the works proposed in the above planning application.

Bhutan Pines do not respond well to pruning, the view is obstructed by other trees closer to the road – and there isn't really any long-term potential given the proximity to the building.

Happy to expand or elaborate if you have any questions.
Thanks and best regards,

Ben Alexander
