Sustainable Drainage Scheme Verification Report

Discharge of Planning Condition 5 - Sustainable Drainage Scheme

No development hereby permitted shall be occupied until details of the implementation, maintenance and management of the sustainable drainage scheme have been submitted to and approved by the local planning authority. The scheme shall be implemented and thereafter managed and maintained in accordance with the approved details. Those details shall include:

a) Verification report providing photographic evidence of construction as per design drawings;

b) As built construction drawings if different from design construction drawings;

c) Management and maintenance plan for the lifetime of the development which shall include the arrangements for adoption by any public body or statutory undertaker, or any other arrangements to secure the operation of the sustainable drainage scheme throughout its lifetime.

Verification Evidence

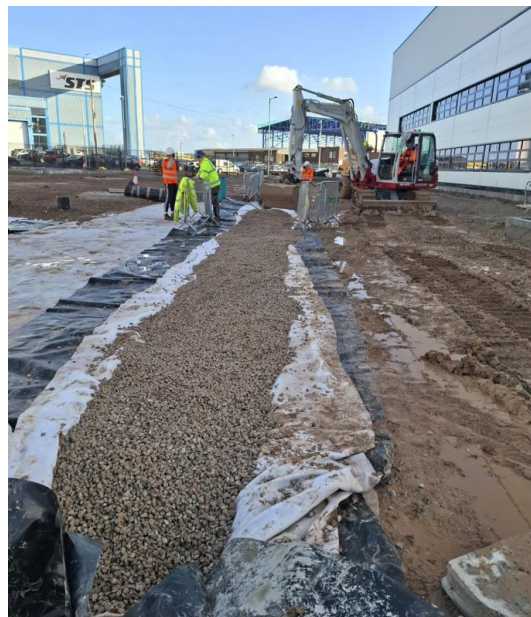

This report provides photographic evidence of construction as per the construction drawings noted below. Information within this report is to satisfy section 'a' of Planning Condition 5.
